## **BORGHESE GALLERY AND MUSEUM**

The unmissable Galleria Borghese, also known in English as Borghese Gallery, is housed in the **Villa Borghese**, a beautiful and elegant mansion. It is one of the **most renowned art museums in the world**. The building's gardens are also a popular attraction and the third largest park in Rome. The gallery features an important part of the collection begun by **Cardinal Scipione Borghese** (nephew of Pope Paul V), between 1576 and 1633 whom, as well as being an avid art collector of **Caravaggio's** works, was **Bernini's** first sponsor.

**A day of discovery in the Castelli Romani** taking a close look at the **most interesting wineries** in the **Frascati** area, a few kilometres from **Rome**. In the Castelli Romani the cultivation of vineyards and the processing of its tasty grapes is a millenary tradition favoured by the **local climatic conditions** and the **fertility of the volcanic soil**. The vineyards have characterized the outline of the landscapes for centuries and the grape harvest is still a **festival that animates the villages and the wineries**.

The **Wine Bus** will take you to some of the best wineries in Frascati with walks **along the vineyards, visits to the winery, wine tasting** with the producers who will illustrate the wine characteristics and its processing techniques. **Lunch based on local produce**.

We will complete the day tasting five **special ice-cream flavours** such as **cheese and pepper** or **anchovies and pumpkin flower** made by **gastronomic ice-cream parlor**.
