DREAM: ART MEETS DREAMS

Available from Saturday 29th September to Sunday 5th May 2019

Chostro del Bramante

A theme that becomes a journey, discovery, knowledge, emotion: the dream. Some of the great protagonists of contemporary art reveal themselves through intimate, visionary works.

With eyes open or shut, by night or day, kept secret or made real: an exhibition about desires, expectations, fantasies and exorcized fears. An exhibition that allows spectators to give shape to their own dreams.

FRENCH IMPRESSIONISTS

From Monet to Cézanne

Available from Friday 5th October to Wednesday 5th December 2018

Palazzo degli Esami, Trastevere

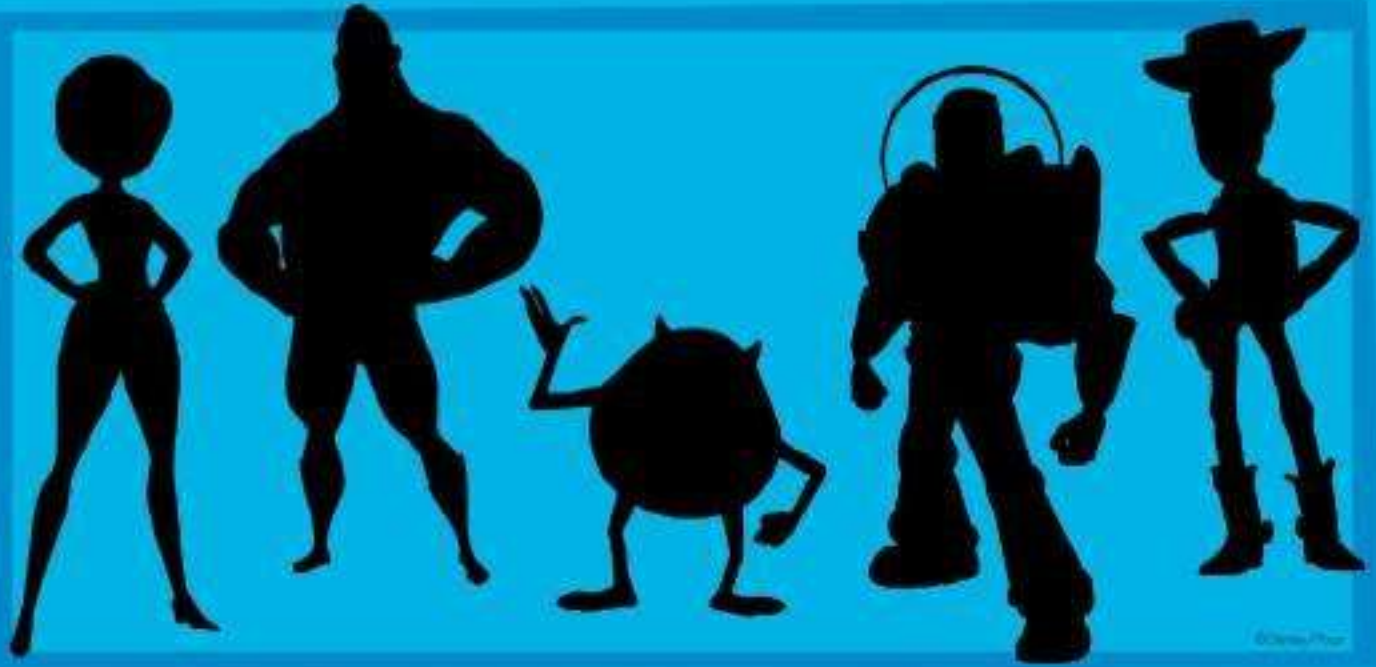

For the first time in Italy, the long-awaited, international multimedia exhibition is finally arriving in Rome. The **French Impressionists – Monet to Cézanne** pays homage to the French artists who changed the history of art thanks to their new approach towards the external world and the surrounding nature, and their way of representing immediacy and fluidity through an incredible use of light and shadow
